LGU/State/Organizational Reflection and Planning Time

4:30pm ET (3:30pm CT; 2:30pm MT; 1:30 PT)

One of the most valuable aspects of the virtual PYD academy is time for you to gather with your state or LGU 4-H program, or other organizational groups that plan to meet at this time. This time is facilitated by a person identified to lead the session using a specially designed reflection guide.
