*How to be Successful*

# What Lesson Study Groups Need to be Successful

- A **curriculum** or set of **educational activities** that will be implemented with youth.
- A **commitment** by group members to **regular meetings** that are systematic and intentional in their design.
- The establishment of **shared goals** by group members (that will evolve over the course of the lesson study experience).
- **Strategies to collect formative data** from group members and youth participants.
- **Strategies to systematically review formative data** for the purposes of improving lessons.
- Access to **content and pedagogical expertise** to help build knowledge and skills among the lesson study group members.
- A group structure that involves **shared leadership**.
