Are You Concerned About Your Aging Parent or Neighbor?

Could small home repairs at little or no cost help to keep them safely in their home?

Florence County UW-Extension and Florence County Aging Unit have teamed up with the assistance of WI Housing Economic Development Authority (WHEDA), CSREES/USDA, and Rural Housing, Inc. to provide small, but important home repairs for little or no cost to seniors.

Possible repairs include but are not necessarily limited to Home accessibility such as ramps, handrails, grab bars, repair of steps, porches and entry lighting. Door/window repairs, lever door knobs, smoke detectors. Other repairs may be considered.

If you know of someone who could benefit or would like further information, please contact:
