

Beetle

Ages: 5-8 years old

Time: ½ hour

Materials:

1 dice, sets of beetle pieces (made from construction paper – different color for each player)

Procedure:

Each player throws the dice, the number that they throw corresponds to a beetle part (see diagram).

The aim is to be the first person to make a whole beetle.

If a player throws a number which corresponds to a part that he/she already has the player passes the dice to the next player, but does not receive any further penalty.

Numbers and corresponding parts:

- 1 Leg (need 6)
- 2 Antennae (need 2)
- 3 Abdomen
- 4 Tail
- 5 Body
- 6 Head
