BAILEY THE BEAGLE'S Responsible Dog Owner's Tip Sheet

Bailey says:

"BE A RESPONSIBLE DOG OWNER!"

Here's how:

-  Always have fresh water available for your dog.
-  Feed your dog nutritious food every day.
-  Provide your dog with warm, dry shelter away from drafts.
-  Groom your dog regularly, and bathe your dog when necessary.
-  Teach your dog the five basic commands: heel, sit, stay, down, and come.
-  Give your dog plenty of exercise and play time.
-  Walk your dog on a leash.
-  Give your dog proper identification, such as a microchip, and get a license if necessary.
-  Take your dog to visit the veterinarian at least once a year.
-  Most importantly, give your dog lots of love!
