

Developing passion. Finding purpose. Inspiring others.

2021 4-H Youth in Action Awards
Program Guidelines

Submission Deadline: April 27, 2020
Questions: YouthInAction@4-H.org

About the 4-H Youth in Action Awards Program

In 4-H, you've developed your passion. You've found your purpose. You've inspired others – and now you're moving forward. Share how 4-H propelled you to change your community and you could earn a \$5,000 scholarship and a trip to Washington, D.C.!

The 4-H Youth in Action program recognizes four confident young leaders in our core pillar areas of **Agriculture, Civic Engagement, Healthy Living and STEM (Science, Technology, Engineering & Mathematics)**, giving pillar winners the chance to share how 4-H changed their lives and how they have used the skills they gained in 4-H to change the lives of others.

Awards & Recognition

Each of the four Pillar Winners will receive:

- A \$5,000 scholarship for higher education, to be paid directly to the institution, including two-year and four-year colleges, trade schools or other advanced learning opportunities.
- An all-expenses paid trip for the pillar winner & a chaperone to Washington, D.C. The winner will be recognized at the Legacy Awards and participate in training opportunities and media engagements, while engaging with Council leadership, celebrities & other prominent 4-H alumni.
- An opportunity to be featured as the 4-H Youth Spokesperson for their pillar area.
- An official reference letter from National 4-H Council President and CEO, Jennifer Sirangelo.

One 4-H Youth in Action National Award winner will be selected from the four pillar winners and will receive an additional scholarship and further opportunities to serve as a spokesperson for National 4-H Council.

Awardees agree to comply with the requirements on the application and the Pillar Winner agreement sent by National 4-H Council at the time of selection.

Selection Process

The 4-H Youth in Action Award selection process includes the following:

1. **Online Application:** Complete and submit the online application found at 4-H.org/YouthInAction. Applications will open on January 29 and should be submitted no later than 11:59 p.m. PST on Monday, April 27. You will receive a confirmation email when your completed application is received. Incomplete applications will not receive a confirmation and will not be reviewed. If you are unsure of your status, contact National 4-H Council at YouthinAction@4-H.org.
2. **Finalist Selection & Virtual Interview:** National 4-H Council will review all applications and select 3 finalists for each pillar. Those not selected will receive an email indicating their status. Finalists will be required to participate in a virtual, 1:1 interview, conducted between June 17-26.
3. **Pillar Winner Selection:** Finalists will be reviewed by a selection committee and will be notified of their status by National 4-H Council. Finalists who are not named the Pillar Winner will be recognized as Honorable Mentions by National 4-H Council on the 4-H Youth in Action website and social media.

Scores and/or comments concerning individual applications will not be released.

Pillar Areas

In the application, you'll be asked to share your story of leadership in your self-selected pillar area. Your work within the pillar may be a key project, program, or 4-H experience, or it may center around a series of activities in which you've served as a leader. Read the pillar descriptions below to choose the best fit for your work. **If you have questions regarding which pillar to select, please contact YouthInAction@4-H.org.**

4-H Youth in Action: Agriculture Pillar

In Agriculture programs, 4-H'ers experience activities that range from farming & raising animals to growing crops & other resources. Topics that may be covered in this pillar include, but are not limited to:

- **Animal Science** – responsibility, proper care & nutrition
- **Veterinary Science** – animal nutrition, examinations & treatment, infectious diseases
- **Biotechnology & Sustainability** – producing healthy, plentiful & environmentally responsible products
- **Plant Science & Forestry** – plants, insects, water, soil, tree identification, forest evaluation
- **Food Security** – growing and/or raising food to ensure reliable access to a sufficient quantity of affordable, nutritious foods

4-H Youth in Action: Civic Engagement Pillar

In Civic Engagement programs, 4-H'ers experience activities encouraging youth to engage others around important causes or issues to the community. Topics that may be covered include, but are not limited to:

- **Community Action** - community service, service learning, community youth development
- **Communication & Expressive Arts** - artistic expression, communication
- **Civic Education & Engagement** - history & cultural heritage, civic & social responsibility, government principles, promoting quality of life and advocacy

4-H Youth in Action: Healthy Living Pillar

In Healthy Living programs, 4-H'ers learn about healthy eating, physical fitness, and developing & maintaining positive relationships. Topics that may be covered in this pillar include, but are not limited to:

- **Health, Nutrition & Fitness** – eating right, physical fitness, being active, good hygiene
- **Social & Emotional Well-Being** – alcohol/tobacco/drug use prevention, bullying prevention, stress management, encouraging good decision-making skills

4-H Youth in Action: STEM Pillar

In STEM programs, 4-H'ers learn about Science, Technology, Engineering & Mathematics through hands-on activities and projects. Topics that may be covered in this pillar include, but are not limited to:

- **Environmental Science & Alternative Energy** - alternative energy, conserving energy, limiting humanity's impact on the environment, natural science
- **Engineering & Technology** – rocketry, computer science, technology, engineering, mathematics

Application Requirements

1. General Information & Eligibility Requirements

- a. **Be 4-H member/recent alum** of any type of 4-H program in the U.S.
- b. **Be between ages 15-19.** Applicants must turn 15 by the application deadline and should not have turned 20 before January 1, 2020.
- c. **Submit personal and county/state 4-H contact information.** Please connect with your County 4-H Extension Staff and/or State Program Leader prior to completing the application. If you are selected as a finalist, National 4-H Council will contact your county/state for approval, to verify your 4-H participation, and to complete a reference form.

2. Short Answer Questions

Respond to short-answer questions regarding your 4-H story and your pillar area leadership. Your work should provide benefit to others & require significant leadership. Each question includes sub-questions you may choose to answer to aid you in your responses.

1. **Describe how 4-H impacted you. (max: 2500 characters)** *How did 4-H change or improve your life? What have you learned about yourself? Has your 4-H experience helped you overcome something challenging in your life? Did 4-H help you define your interests/passions, or gain any skills? **Great submissions will provide clear examples of how 4-H has impacted you!***
2. **Describe a project, program, 4-H activity or series of activities in the pillar area in which you demonstrated leadership. Detail how your leadership in this pillar has improved or influenced your community. (max: 4000 characters)** *What motivated you to be a leader? What was your leadership role? When & where did your work occur? Is it on-going? What steps did you take in your work? Did teamwork play a role? What or who benefitted? What are the long-term effects of your work? **Great submissions will provide clear examples of your leadership in the pillar!***

3. 60-Second Video

Provide a link to a **60-second video** answering the following prompt:

- **How did 4-H help you find and work to achieve your purpose in your pillar area?**

Your video should:

- Be 60 seconds or less and feature only you speaking (no other speakers or visuals).
- Be recorded with a simple recording device/smart phone. No special equipment or editing expected.
- Be uploaded to YouTube & be viewable by anyone with the link.

4. Photos

Upload three individual photos. **Two should demonstrate your work in the pillar and one should be a headshot.** Photo montages will not be reviewed. File formats accepted include JPG, GIF, or PNG. Photos should not exceed 5 MB each.
