Create a new costume for the object in your story.
Paint Your Own Animation

Create a new costume for the object in your story.

**GET READY**

Choose a sprite.

Click the costumes tab, right click to duplicate your sprite, and use the paint editor to draw on the sprite's costume.

**ADD THIS CODE**

```
when clicked
wait 1 seconds
repeat 10
  next costume
wait 0.2 seconds
```

Use different values to change costumes faster or slower.

**TRY IT**

Click the green flag to start.
