

COVID PROTOCOLS AND LIABILITY WAIVER FOR NATIONAL 4-H COUNCIL'S POSITIVE YOUTH DEVELOPMENT EXPERIENCES IN 2022

National 4-H Council is committed to the health and safety of all youth and adults participating in our National 4-H Positive Youth Development (PYD) experiences as we continue to experience the COVID-19 pandemic. Council continues to follow the latest CDC guidance as well as District of Columbia, State of Maryland and Montgomery County, MD guidance and directives regarding COVID-19. As of March 23, the following protocols will be implemented to help mitigate the risks of exposure to COVID-19 for all participants. These are NOT optional for any youth and adults attending the National 4-H Healthy Living Summit and/or Citizenship Washington Focus. Individuals who are unable to comply with these protocols will be asked to leave immediately at their own expense.

These protocols may be further updated prior to or during the event(s), based on any new directives or guidance from the federal, District of Columbia, State of Maryland and/or Montgomery County, MD governments.

- Everyone attending must provide proof of ***either a complete COVID-19 vaccination series or a negative COVID-19 test result within 72 hours prior to their arrival in Bethesda, MD.*** Any individual who, due to health reasons, is unable to abide by any of the required protocols and wishes to attend must provide a signed letter from their doctor requesting a waiver.
- **Masks not required, but strongly recommended.** In accordance with the most recent CDC, State of Maryland and Montgomery County Guidelines, masks are not required, but individuals may choose to mask at any time. While the District of Columbia has dropped its vaccination and mask requirements to enter restaurants and other venues, it is important to note that masks ARE STILL REQUIRED on public transportation throughout Maryland, Virginia and Washington, DC. Please keep this in mind as you plan your travel. Montgomery County (the county in which the meeting hotel is located) is classified by the CDC as an area of low COVID-19 transmission. Participants will be responsible for providing their own well-fitting masks should they wish to wear a mask during their Summit and/or CWF experience.
-
- All participants will be encouraged to wash their hands multiple times throughout the day as recommended by the CDC. It is suggested that participants bring their own hand sanitizer to be used in addition to the sanitizer provided in all public areas of the hotel.
- Based on current CDC information and clinical expertise, older adults (65 and older), those who are unvaccinated and people of any age who have underlying medical conditions might be at higher risk for severe illness from COVID-19. These individuals should consider implementing additional protective protocols. These decisions are the responsibility of the individual, and those who assume liability for their decisions.

Prior to Leaving for Bethesda, MD:

All participants are to self-monitor. If a participant is showing any of the following symptoms listed below at the time of the trip departure and/or on the two days prior, you are NOT to leave your home state.

- Fever (body temperature of 99.5 degrees F (37.5 degrees C) or higher
- Chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue or muscle and body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

If a youth or adult delegate experiences COVID-19 symptoms once they arrive at the Hyatt Regency Bethesda, they will be isolated as a precaution and sent home as soon as possible. The state 4-H program of the participant will be responsible for arranging transportation, additional room charges for isolation, and supervision of the delegate until they can travel back home.

Additional Hotel Precautions

- The sanitizing stations all over the public areas of the hotel will be checked and refreshed as needed.
- High touch points in the hotel are cleaned frequently.
- Elevator capacities will be limited. It will be critical that youth comply with those limits.

Any person who must drop out at the last minute due to a diagnosis of COVID-19 will receive a 50% refund of their registration fee upon submission of a doctor's note.
