Most forms are editable by clicking ‘Edit’ at the top part of the section of the form. However, multi-list sections are editable by clicking ‘Add’ on the section. If you are completing a multi-list section, you can create as many rows necessary to complete the section. If you want to delete a row, you will click on the row and click ‘Delete’.

All information must be saved by clicking ‘Save’ on the forms. If you do not click ‘save’ and you back out of the form or section of the form, your information will be lost.

- Principal Investigator’s Direct Supervisor – name and contact information
- Payment Recipient – the organization that will review and sign the sub-grant agreement and receive payment, along with a contact person for the organization.
